

## CUBAN TOURIST CARD (VISA)

### PURPOSE

The Cuban Tourist Card represents your permit (Visa) to enter Cuba. You must complete one card per person for entry and present it to the immigration official on arrival in Cuba. Please treat this card as a valuable document and do not lose it. If lost, a replacement card must be purchased in advance of your arrival into Cuba. This card entitles you to visit Cuba for a period of up to 30 days from the date of entry for the purposes of tourism and provided your accommodation arrangements are all confirmed and prepaid prior to arrival.

### COMPLETING YOUR CARD

An example visa card is shown below to help you complete your card. Please take great care when completing it. Cuban Authorities do not accept tourist cards with amendments or alterations. If you make a mistake completing the card you will need to purchase a new one.

### TWO SECTIONS

The tourist card is in two sections. Upon arrival into Cuba, the two sections will be separated. The left hand section will be retained by the Cuban immigration. Your right hand section will be left in your passport. Every care must be made to ensure this is not lost.

When you depart Cuba, the remaining section will be taken by the Cuban Authorities.

### IMPORTANT INFORMATION

1. Please ensure you read the above before completing the card.
2. Please write clearly in pen, using block letters.
3. Please ensure that all sections of the tourist card are completed as indicated below.
4. Please check your passport to ensure that you have at least six months validity left on your passport after your scheduled departure date from Cuba.
